Permanent Peace Possible Only In A Christian World

The above was the keynote of a most impressive and truth stating address given Sunday afternoon by the Very Rev. Dean Smye of the Pro-Cathedral, Calgary, who held the closest interest of his audience throughout.

The speaker opened his address by stating, "Let us follow Christ — whom to serve is the only freedom."

He then quoted verses from the Bible where Martha said, "Lord if thou hadst been here my brother had not died," and Jesus' reply "I am the resurrection and the Life." Dean Smye asked what of the foolishness of remembrance and service at Cenotaphs, with the world in such conflict as it is today, and answered his own question by stating that remembrance is well, but it is not enough; there must be action as well.

Then, picturing the Cenotaph in London and the Grave of the Unknown Soldier, where on any day no man passed without baring his head; the Dean said their sacrifice was not in vain. They gave their years to an ideal. It is not their fault the ideal was not realized. They flung the Torch to us and the onus is on us who are left behind — and we must act — the responsibility is ours that, please God, war may not happen again. We must think, live and act to make the world a holier and happier place.

The Dean voiced the hope that in another twenty-five years another Minister would not be making a similar plea to mankind to inculcate a more just world and make wars to cease.

The speaker gave two very hopeful signs that there is a movement on foot now to better conditions. First, A meeting held in Manchester, England of practical clear-visioned business men where they unanimously decided that the ethics of Jesus Christ must be established in business life — that was obvious. Something must be done now and by us, to bring about a new world order. We must not see the world at War again.

The second meeting was in the Church of St. John the Divine in New York City, where 5,000 thinking people gathered and agreed that only a Peace established on justice, courage and God, would suffice. Dean Smye stated there were no such gatherings during the last war.

The League of Nations failed, because of imbedded degrees of selfishness and greed.

To bring about these conditions, we must live the principles and technique of Christ.

If we believe in Christ we do not only ask questions, but we live and act his ideals.

The speaker summed up his rules for guidance as follows—

1. Christ promises special salvation to free us from the deep, nasty roots of devastating sin; from the nasty roots that produce war; and he shows us a world leading to a higher plane.

2. Christ teaches a man to think rationally and serenely and to think things through.

3. He shows the idea of Fellowship. We have not learned to live together.

4. Christ talked about trials and said I have overcome the world. He brings triumph out of defeat. It is for us through the Church and Christian religion to bring about a new world order. Remembrance is not enough. We must act, Christ

was given us for an ideal. In Him must we put our trust and carry His teaching through to realization.

Rev. W. E. Sieber of Carlsland assisted in the Service and very happily introduced the Rev. Dean.

Mrs. Walter Mercer and Mr. Patrick sang very effectively the duet, "I Heard the Voice of Jesus Say".

Mrs. George Patrick was a very efficient pianist throughout.

Presentation to Mr. and Mrs. J. H. Freeman

J. H. Freeman, caretaker and gardener at the C. P. I. D. who retired last month after over 34 years with the Canadian Pacific Railway Company, was agreeably surprised when called upon with Mrs. Freeman to attend a gathering of employees at the Irrigation Office last Saturday morning.

Mr. E. N. Ridley, Superintendent, stated that it was felt that the opportunity should not be let pass with out giving expression to the esteem that the couple were held by members of the staff. Their willingness to assist at all times and in all ways, and their cheerfulness and courteous manner had made them a host of friends of many years standing.

In presenting an illuminated address with 60 signatures, Mr. Ridley said it was a record which he knew they would value and cherish. Added to this was a Victory Bond and, as a humorous touch a note book with suitable pencil, in keeping with Harry's chief indoor pastime, keeping track of "sweep tickets". Gifts to Mrs. Freeman were a leather purse and bouquet of flowers. Mr. and Mrs. Freeman sincerely thanked all who had made the presentation possible. Their many years with the Company had been most happy, and the gifts were not only greatly appreciated, but would keep in memory the pleasant associations they and their family had always enjoyed.

CUBS ENJOY HIKE

Rev. Hunt and Dr. Giffen conducted a happy hike Tuesday afternoon for some 17 cubs.

The boys divided into two groups, the hares and the hounds, walked out to the C. F. C. N. Station where Mr. MacKenzie conducted the group through a part of the station, explaining interesting sidelights to the boys.

Supper in the open around a bonfire which also served to toast sandwiches was a jolly part of the outing. The boys were all enthusiastic over the good time provided.

MR. SIEBER AT UNITED CHURCH

Rev. W. E. Sieber preached a very interesting sermon in United Church Sunday evening, continuing some of the thoughts given by Rev. Dean Smye in the afternoon.

Speaking of the conflict of today Mr. Sieber said though at present the picture is dark, yet

God is Almighty.

God is all Wise.

God is all loving

and therefore if we plan our thoughts and acts to conform to God's will we shall achieve a Peaceful World.

STRATHMORE LIONS' CLUB SALE OUTSTANDING SUCCESS

GROSS RECEIPTS \$4,748.65

In the opinion of the Auctioneers the Strathmore Lions' Auction Sale of Livestock for Bonted-out Orphan Children of British was the most outstanding to date.

In the unavoidable absence of Lion President A. D. Shrimpton, Lion Vice-President S. R. Hunt rang the bell and in a few words declared the sale ready to proceed.

There was a good crowd and the bidding throughout was exceptionally lively.

A few highlights in prices—

The pure-bred calf, Kendall Dora 2nd., donated by L. G. Kenney and Son of Rockyford was sold to S. H. Fraser of Hussar for \$255.

The pure-bred Hereford Heifer calf Sally Domino 4th., donated by Strathmore Lions' Club and bred by Wright and Bond of Iriville, was sold to John Sept of Three Hills for \$185.

The pure-bred Shorthorn calf, Meadow Bank Belle, donated by B. P. O. E. No. 4, Calgary, was sold to S. H. Fraser, Hussar for \$160.

A lamb bred by Newel Bros., Nightingale and donated by Robert Putnam Nightingale was sold to Max Switzer, Calgary for \$23.

Calgary for \$23. This was donated back to the fund and re-sold to Fraser Bros., Hussar for \$23; again donated back and sold to A. Bestul, Rosebud for \$23; again donated back and re-sold to Syd Watson, Ardmore for \$23; again re-sold to Henry Gilchrist, Calgary for \$23; again re-sold to C. O. Dawson, Ardmore for \$15; again re-sold to Paul Busman, Tudor for \$11; again re-sold to Charlie Scott, Strathmore for \$11; re-sold to James Cormack for \$10; re-sold to George Jackson and Son, Cheadle for \$10; re-sold to Adolph England for \$10; re-sold to Johnson Bros. for \$11; re-sold to W. Knight for \$11; re-sold to R. Barkley for \$10; re-sold to David England for \$10; re-sold to Newell Bros for \$10; again re-sold to Newell Bros for \$10, making a total of \$243 for 1 lamb.

Aberdeen-Angus heifer calf donated by Herb Hills, Strathmore, sold to Citizens and tradesmen of Strathmore for \$50 and was redonated by them and sold to Len Roberts for \$45. Aberdeen Angus Steer calf donated by Risdon Bros. and sold to Oughton Bros., Calgary for \$75; re-donated and sold to Don McKinnon for \$50; re-sold to Ben Cool, Carlsland for \$50; re-sold to Paul Busman, Tudor for \$42.50, making a total of \$217.50.

The Famous Hon of the district donated by J. A. Muenchert of Rockyford sold to Geo. Anderson for \$11; re-sold to R. Gladden for \$5; re-sold to George Smith for \$5; re-sold to A. D. Shrimpton for \$5; re-sold to Dr. Giffen for \$5 re-sold to George Smith for \$5; re-sold to Elmer Gray for \$5; re-sold to A. Novak for \$5; re-sold to Walter Risdon for \$5 re-sold to Len Roberts for \$10, making a total of \$68.50.

Throughout the day the Strathmore Branch of the Red Cross did a much appreciated and rushing business of serving coffee, hot dogs, doughnuts etc to the happy but hungry crowd. Assisting Mrs. Patrick were, Mrs. Hunt, Mrs. C. Kimmet, Mrs. Fessenden, Mrs.

Downie, Mrs. A. Morton, Mrs. T. S. Hughes and Miss Frances Gray.

Thanks also are extended Auctioneers Gilchrist and Alnoworth who kept the bidding brisk and the bidders in good humor thereby swelling the results.

The general public has little idea of the colossal amount of detail and work accomplished by Sales Manager and his Committee, and the gratitude of the Lions' Club and the general public of Strathmore and of the Orphan child ren in Britain is due.

To Mr. and Mrs. Harwood who gave their house as well as out-door sheds etc. in fullest accord to the Red Cross and to the committee, and who themselves assisted in every way possible, is extended the very grateful appreciation of all concerned.

The Lions' Club are deeply grateful for the very generous response given the sale by the men of surrounding country for many miles. They helped largely in building up the high financial total.

THE 'OUT-SIDE'

● Peace River Apples—

Through the courtesy of Mr. Albright, Superintendent of the Beaver Lodge, Alta., Experimental Station, we received a sample of a very excellent Hoyer No. 12 harvest apple. In 1937 two trees of this variety were planted at Beaver Lodge, 429 miles north of the 49th. parallel. In 1940 one of them began to bear. Since then both have borne. The two little bush-like trees are now 6 to 7 feet tall, and the production per tree reached over 24 pounds this year. This is very encouraging progress. Even a small volume of apples for domestic consumption would be amply worth while.

● Canada is conducting a wonderful war effort which in proportion surpasses that of any country.—T. V. Soong Chinese Foreign Minister, at Chungking, Nov. 3, 1942.

● Price stability has been assured by placing ceilings on potatoes, onions, turnips, cabbages, beans, parsnips, carrots, peaches, pears, plums, grapes, citrus fruits and bananas.

● More Flannelette is to be Produced Says Prices Board—

Assurance was given by the local office of the Wartime Prices and Trade Board today that every effort is being made to increase the production of flannelette, especially as it is required for the use of infants and children.

It was stated that the Cotton Administration of the Board is hard at work on this problem and is already meeting with a considerable measure of success, justifying the hope that a material increase in supply will be available within a short space of time.

Incidentally, the office pointed out that flannelette supply difficulties are due to a great increase in demand rather than to any curtailment of production. In 1939, 368,000,000 yards of flannelette were sold in Canada, but last year it was necessary to make not less than 760,000,000 yards available to the trade in order to meet demand.

● Tourists Praise The Efficiency of Ration Boards—

Many complimentary references to the efficiency of Local Ration Boards in this area have been received from citizens of the United States who had occasion to make use of them during the tourist season now ended.

A good many of these visitors seem to have been particularly impressed by the ease with which their rationing requirements were met and by the minimum use of "red tape" in their relations with the Local Ration Boards. They compared their experience in this connection not unfavourably with their dealings with their own rationing authorities and could not praise too highly the system which has been established by the Ration Administration for handling the rationing requirements of those visiting Canada either as transient tourists or as summer residents.

"Should Women Take A More Active Part In Public Affairs?"

A series of questions have recently been put by Current Magazines, to leading women in public life, asking, "Have women made use of their political powers?" And most of them were agreed that much more could and should be done. Emphatically, I say, "We women should bestir our selves into taking a more active part in public affairs. The legal right to do so is ours. Yet, looking over the list of nominees for Civic, school board etc., today for the coming elections. One is appalled to see how few women are in the running at present. I am not suggesting that women should rush into politics, or public positions before they have had families, or, instead of having families, but I do feel it is desirable that women should occupy more public positions than they do. I would like to see more women in all those public positions where the welfare of children is at stake.

Is it because we acquired our right to be "Persons" without effort on our own part that we make so little use of it, and "give scant support" to the few women who "invade" the professions hitherto sacred to men? A glance backward shows that never was England more prosperous, or progressive as when those great Queens, Elizabeth and Victoria controlled the National life. Both were strong-willed women with the vision and determination to

sweep away abuses and inequalities that oppressed their people. However our Canadian women have jumped in to the gaps left by the fighting men, and made a good job, notwithstanding many of them were only hastily trained. In our own time we have seen the position of women in Russia and Turkey completely reversed. In both countries they had been inarticulate yet they now serve in any capacity that their training and talent entitle them. Turkish women shedding their veils in 1928, have since co-operated in all the life of the state.

The Food Conference recently held advised that all countries draw up nutritional standards suitable for their peoples, so that the best use be made of the foods available. Who could do this better than women? It must be the question of food values and public nutrition, so closely linked up with health will have the closest attention of women who will serve on all food councils, when the great work is undertaken after the war. Then perhaps there will be no outcries of dumping, profiteering, bad marketing and waste.

Women could do much more than they have done hitherto in social work and political administration, where the interest is in social welfare or human life, than on machinery or trade. They could make life clearer than it is. The evils of drink and gambling have never been properly

controlled by the men.

When women take a more prominent part in public affairs, I believe the world will improve.

Women, the world over, are today engaged so actively in the great struggle for liberty that they hardly have time to study the speed of our changing world.

Women must play a larger part in Public Affairs. They have already made a big impression on the public health services. The women doctors are making an important contribution and to women like the late Agnes Stowe Gullen, who died recently in Toronto, the first woman to take a medical degree at a Canadian University and her mother Dr. Emily Stowe, the first woman to practice medicine in Canada.

Dr. Stowe-Gullen pioneered the suffrage movement in Ontario, thus opening doors formerly closed to women and making it possible for nursing services to enable us to have District Hospitals. Dental nurses, who today are filling a long-felt want. How could we get along without them? As our health schemes widen and develop, no doubt women will take on even greater responsibilities.

Then there is education. I hope that women will serve on all boards, school, education and University Senates organizing new methods so that young people will be even better citizens than those of the past.

The why not women Architects to plan the homes of the future (so urgently needed now). A woman should be able to plan a home that will eliminate much of drudgery of housework, resulting through bad planning, such as low sinks, which results in backaches. Women Architects would study with an eye to the maximum amount of sunshine on windows, and still have an attractive outside appearance. Every police court should have at least one good Christian woman with a sympathetic understanding of human weakness, to deal with girl and child delinquents. Another field is that of Peace. We women can maintain close interest in International Affairs and by International Conferences of Associated country women of the world. Get to know and understand the problems each other are facing. What a world we could have if we could substitute the mother spirit for the fighting spirit! Women will be needed to nurse, assist, protect, comfort, reward and hold mankind together by the motive of service which is dominant in their nature and which is so urgently needed today. Yes, women should play a larger part in public affairs. Matthew Arnold said, "If ever the women unite in a common cause there will be such a force as this world has never seen. The time is opportune. Women unite, so that we may consolidate what we have won

Research Laboratory needed In the West

Chemurgy has made great headway in the United States and many of the discoveries of American laboratories are available for Canadian study. The North-West Line Elevators association has been advocating for some time that the federal government should set up a western division of the National Research Council outfitted with an up-to-date laboratory and skilled technicians. The first move to attain that objective was the recent appointment of a prairie regional committee to work with the National Research Council. This should be followed up by real action.

ROCKYFORD

—By K. M. O.—

Mr. and Mrs. Rudd returned from Calgary on Saturday evening, where he had been receiving medical attention for a short time.

Mr. Bob Stone of the R. C. A. F. returned to his unit at Calgary after a 14 day leave which he spent with his parents here.

A wedding of much interest in this community was solemnized at St. Rita's Church on Monday, November 15th, when Miss Lillian Meissac, second daughter of Mr. and Mrs. Andrew Meissac became the bride of Mr. Louis Geeraert, fourth son of Mr. and Mrs. Peter C. Geeraert, all of Rockyford district. Rev. Father Killen performed the ceremony.

The bride looked very charming in her street-length dress of sea blue with matching accessories. She was assisted by her sister, Mrs. Agnes Frayn as Matron, who chose as her color, yellow, with accessories to match. The groom had as his attendant his younger brother, Peter.

After a short honeymoon the happy couple will reside in Rockyford.

Mr. Victor Podborski of the R. C. A. F. is spending a leave at home arriving from Vancouver on Monday.

The members and association of the Junior U. F. A. held an interesting session when the awards for the summer sed plots were announced, and the judging of grain was conducted. Many of the boys showed exceptional ability. The Association is in its infancy in this district, but they are now looking forward to a much better year with more knowledge of the requirements, and more boys will compete next year.

The Rockyford Ladies Aid Society met at the church parlors on Thursday, Nov. 11th., with the president in the chair. Reports of the Bazaar were heard and all were very grateful for the \$342 at least, clear after the bills were paid. They felt so grateful to all who helped in any way at this event. It was decided to hold the annual meeting of the society on the second Thursday of December. After the business of the day, Mrs. Pomroy and Mrs. Helmbecker served a suitable lunch to those present.

—By H. K.—

Mr. Robert Moore, who has been confined to the General Hospital for the past week, is making a favorable recovery and will be home the latter part of this week.

The Ladies Aid will meet at the home of Mrs. G. C. Melendy.

Those home for the week-end were, Misses Hazel and Dora Hill, Ed Bish op, Ed Barlow, June Gehrke and Stan Dielo.

Mrs. S. Chatelein spent a week visiting at the home of her daughter and son-in-law, Mr. and Mrs. L. Bellway of Springbank.

Mrs. Art Stangness and her father, Mr. M. Christensen spent the week visiting friends in Calgary. Miss Maizie Christensen is now working in Calgary.

Mr. Dave Anderson installed a new telephone on Saturday.

Cpl. Noel Barlow R. A. F. arrived home from Toronto on Monday to spend leave with his parents.

Elaine Fortney is now working in Calgary.

Mrs. Agnes Lennox of Cavendish,

Alberta, has come to make her home in Carseland, and has taken up residence in the Doran Block.

Mr. Mel Gehrke, who met with a painful accident several weeks ago, is still confined to his home.

Mr. and Mrs. Norman Nielson had as Sunday guests, Mr. and Mrs. Cecil Barbour of Cheadle.

Mr. and Mrs. H. D. Drake of Calgary were Sunday visitors at the home of Mr. and Mrs. Fred Roe.

Mrs. Chas Snellie of Airdrie, a former resident of Carseland is visiting at the home of Mr. and Mrs. Glen Field.

Mrs. I. E. Stinson has gone to Calgary to spend the next two months with her daughter, Miss Norma Stinson.

—RURAL EDUCATION—

LIKE everything else in this swiftly moving world of ours, education is undergoing close and rigid scrutiny. Vast and far-reaching changes will in all probability take place in educational methods, subject matter and techniques during the post-war period.

Dr. H. C. Newland, Supervisor of Schools in the Department of Education in the Alberta government, had some important things to say in this connection lately. Speaking in Saskatoon to the conference on Films in Rural Education, he said, "I fear this generation is carrying on a set of ideas either obsolete or obsolescent, belonging to a culture which is all but departed. No one can contest the fact that we are faced with social change whose rapid tempo is constantly accelerating. Too many people," he said, "still have the wrong conception of education, thinking of it only in terms of book learning. They would not thank you for teaching their girls how to make their homes more attractive and efficient or for teaching boys how to work together for the betterment of the community."

Dr. Newland then pointed out that Alberta was strategically setting up a few strategically situated schools, completely modern in construction, equipped with films, radio, all kinds of books, and with highly qualified teachers who would be paid from \$2,000 to \$3,000 a year. These, he said, would serve as beacons in the future development of the whole province.

This is an encouraging note for an educationist and a government employee to sound. We have found money for everything needful for the prosecution of the war. Money must be found for the projects of peace. The day for the little red schoolhouse with half a dozen children or so is gone in large sections of Canada now covered with good roads. Why should a child, just because he happens to be brought up in the country, be deprived of all the latest and best in equipment and in teaching the modern world can supply. It is significant that Alberta is going to experiment with better rural schools even in war time.

—United Church Observer.

The statement that the little red schoolhouse which formed so important a place in the lives of many of our men and women in Canada's early years, is now soon doomed to disappear and give place to larger consolidated schools and Composite High Schools, will startle some folk.

It is a truth notwithstanding. The candle has given place to electric light and we would not have it otherwise. The thing to do is to keep posted and in step with progressive conditions.

Strathmore District Needs Municipal Hospital HEALTH LEGISLATION

TIME TO MAKE plans for improved health conditions is now, so we shall be ready when the war is over to meet conditions.

**Due to Fact 3,000 Doctors Serving
Says Dr. Lincoln—**

Because more than 3,000 Canadian doctors are on active service with the armed forces, the national health plan will not likely come into effect until after the war, Dr. W. A. Lincoln told a meeting of the Board of Trade Friday. Dr. Lincoln who recently returned from an Ottawa conference on the government health insurance plan gave the meeting a brief outline of the proposed legislation.

Bill by Federal Gov't at next Session—

The federal government, he said, proposed to introduce the bill for national health insurance at the next session of parliament. The enabling legislation would then come before the provincial legislatures throughout Canada.

The cost of national health insurance for the entire Dominion was estimated at \$250,000,000 per year, this amount including premiums paid by those who would benefit, plus government grants.

Every Canadian over 16 years of age would be brought under the plan and the cost would be met largely by premiums of \$26 per year. Government grants would make up the \$26 premium in those cases where the insured persons were not financially able to pay.

No insured person would be assessed a premium in excess of three per cent of his or her income. The scheme, said Dr. Lincoln, was all-inclusive in that everyone in Canada would be covered. The services include physicians, specialists, hospitalization, X-rays, drugs and appliances.

It was estimated that the cost to Alberta would be \$15,000,000 annually.

Dr. Lincoln pointed out, however, that the estimated cost for the whole of Canada was only 10 per cent in excess of what is now actually being paid for health services, including expenditures by the governments and private individuals.

An important feature of the plan, he said, is that it provides for preventive medicine, physical fitness, research work, training of personnel for health departments, nutritional programs and other measures of a positive, health-building character.

At the start of the plan, dental services would be available for children up to 16 years of age only.

LETTERS TO THE EDITOR

12th November, 1943.

The Editor, The Strathmore Standard,
Strathmore, Alberta,

Dear Editor,

We have been through a very difficult Fifth Victory Loan campaign. It seems to me it was harder to get our objectives than ever before.

Having read very closely the weekly newspapers of Alberta, which have come into this Office, I am convinced that had it not been for the very enthusiastic and whole-hearted support of the Editors it would have been impossible to have put this Loan over throughout the Province.

I wish to express to you the very sincere thanks of the Public Relations Section of the National War Finance Committee for your co-operation and support in this last campaign, and I am sure that we may count upon it in all future Loans.

Yours very truly,

P. C. Galbraith, Chairman,
Provincial Public Relations Section

Mr. Smith had gone to sea with the Navy and his wife brought the following message to be read in church, "Mr. Tom Smith, having gone to sea, his wife requests that we pray for his safety." The minister was very near-sighted and read, "Mr. Tom Smith, having gone to see his wife, requests that we pray for his safety."

NIGHTINGALE

—By R. B.—

Valley Gardens have started their "Fun Gatherings" by a lively little party held in the Valley Gardens School Friday, November 5th. We all look forward to these parties where card games are played and we dance. Something to cheer the winter months.

Our Nov. 5th, W. I. meeting was mostly taken up with preparations for our Annual Bazaar and Dance. Date of the next meeting was changed from Nov. 19th back to Nov. 12. Mrs. D. Osborne, who was our hostess, served a most delicious lunch to the 15 members present.

November 12th, W. I. meeting put the finishing touches on the Bazaar and Dance. Mrs. Thurston read a very interesting piece from the Federated News about "Queen Elizabeth talks to Fellow W. I. Members." The members of the W. I. resolved to sponsor a move to have mail delivery in Nightingale 3 times per week instead of twice. Mrs. M. Putnam, who was our hostess served a lovely lunch to 19 members and one visitor. Again may I remind you of the bazaar and dance in our hall tomorrow night. One of the special attraction features are the Bran Tubs, one for the boys and one for the girls. Just think, boys, you won't get a bottle of perfume for your prize and you girls won't get a whistle or some such boyish thing. Just think of that!!!

Mrs. Putnam, who has been visiting relatives at Wetaskiwin, returned on Monday.

Mrs. Steedley was a Calgary visitor on Tuesday.

Mr. J. Rath is in the General Hospital in Calgary where he just underwent an operation.

Miss Doris Frederick was a Calgary visitor over the week-end.

DON'T PLAY TAG WITH "JACK FROST"

It's a losing proposition trying to beat the Weather Man at his own game. Remember—you can kid yourself that no harm is done by waiting until your gears are stiff from "frozen" grease... or your oil takes several minutes to flow freely... or your radiator spurts forth those tell-tale streams of steam—but kidding yourself certainly won't save your pocket from repair bills later.

SO BE PREPARED! Let's put your car in shape NOW for cold weather driving while our Special Combination Fall Rates are in effect.

Mr. and Mrs. J. Hendricks left Monday for Iowa, U. S. A. where they will visit relatives and friends.

A. W.2 Mary Trollope, who was stationed at Centralia, Ontario, is now at Currie Barracks, Calgary. Mary paid her folks a surprise visit over the

week-end to tell them the good news. Mrs. Don Duggan has really had her hands full. Harvey was so ill he had to have the doctor and Bonnie drank 1½ a cup of separator oil which made him very sick. However, both are up and around again now.

The Importance of Planting Trees in Alberta

Trees Distributed by the Forest Service—

Trees, free of charge excepting the express charge covering shipment, are to be given by the Forest Service to farmers in the province for the following purposes—

1. For planting within natural poplar or willow bluffs.

2. For replacements in established windbreaks or shelter belts.

3. For additions to established windbreaks or shelter belts, where the trees to be planted are set out close enough to the old plantation that they receive protection against wind, and in the case of conifers, against the sun, by the established trees.

Applications for rural schools and cemeteries will be given consideration. Trees are not available for beautification only, those requiring them for former purpose should secure them from commercial nurseries, and for

the latter apply to the Dominion Department of Agriculture, Tree Planting Division, Indian Head, Saskatchewan.

Trees available for distribution in the spring of 1944 include the following—

White Spruce; Lodgepole Pine; Burr Oak; Green Ash; Siberian Larch; Douglas Fir; Yellow Pine, (not more than 10 to an applicant); Norway Spruce, (10 to an applicant); Red Pine (10 to an applicant); Red Oak, (10 to an applicant); Colorado Spruce, (5 to an applicant); American Elm, (5 to an applicant); Shell Bark Hickory, (4 to an applicant); Shag Bark Hickory, (4 to an applicant); Contorta Pine, (3 to an applicant); and Scotch Pine, (3 to an applicant).

All applications must be filled in and received in the office of the Director of Forestry, Administration Building, Edmonton, before January 31st, 1944, otherwise they will not be given consideration.

THE ALBERTA ASSOCIATION OF MUNICIPALITIES

Bow Valley M. D. Council is attending this Convention which is being held in Calgary this week. Delegates from some one hundred and fifty Municipalities of the Province are in attendance, when many matters of importance will come up for discussion.

"I take off my hat to people who can eat oysters. I tried them for dinner last night and one was my limit."

"What was the matter? Weren't they fresh? What did they look like when you opened the shells?"

"Oh, go you have to open them?"

An armless man was drafted and he protested mightily on arriving at camp that a man in his condition would be of no use in the army.

The clerk replied, "Oh Yes, you will be. See that man out there pumping water into bucket? Go on out there, and tell him when it's full. He's blind

Vancouver, Nov. 13 -- Ernest H. Elsdon, driller in a local shipyard, came off the night shift recently to find his room burglarized and all his savings -- \$2,750 stolen. "If I'd had the sense to put that cash in a bank, I wouldn't have lost \$2,750 to a burglar" he said.

box. I made the mistake, you see, of keeping that money by me instead of putting it in the bank every pay day. Now I've got to start at the beginning again, but I'm going to stay at my job as a driller until I've got the money to buy that house. No more foolish risks for me. From now on I'm letting the bank keep my cash safe.

Berta Vale — Serviceberry
Women's Institute

An interesting meeting of the Berta
Vale Serviceberry W. I. was held at
the home of Mrs. Godfrey on Nov. 10.
Mrs. L. Hilton gave a report on the
money taken in at the bazaar, and the
ladies were delighted to know that the
sum of \$166.59 had been raised. This,
we think, was a huge success, and
great credit is due to all the ladies
who worked so hard to make it so.

We wish to thank Mrs. Fuch for her
generous donation of \$10.00, also Mrs.
Phillips and Fanny Tomelin of Strath-
more for donations to the bazaar table.
To these—and everyone who helped to
make our bazaar a success we wish to
say "Thanks a million."

Pete Shkuratoff was the lucky win-
ner of the W. I. quilt.

Donations were voted to each of the
following organizations. Friendship
Fund \$25.00; Salvation Army, \$25.00;
Junior Red Cross, \$25.00 and Strath-
more Red Cross, \$25.00.

We were glad to welcome Mrs. Joe
Bazant as a new member at this meet-
ing, also to have Miss Helen Way with
us again after an absence of over 4
months. Cigarettes and chocolates
are to be sent to the boys in the
service overseas from these districts.

A delightful lunch was served at the
close of the meeting to 12 members
and 3 visitors. Next meeting will be
at the home of Mrs. L. Struble on Nov.
25th. Roll call will be Emergency
Shelf and Current Events.

AVOIDABLE LOSSES

Grain Inspection Branch figures
for the period August 1 to October
15, reveal a serious situation which
involves heavy losses to the farmers
concerned. We refer to increases in
'smutty' and 'rejected' wheat.

Smutty Wheat

With rare exceptions, which need
not concern us here, all smutty wheat
results from stinking smut (bunt).
In Hard Red Spring wheat and
Durum, this disease can be com-
pletely controlled by seed treat-
ment. On October 14, the Wheat
Board Price List provided for a dis-
count of 10¢ per bushel for smut in
grades No. 1 Hard to No. 4
Northern. Since August 1, 101 cars
have graded smutty; a frequency
five times as great as last year. The
loss to the farmer is nearly \$200.00
per car.

Rejected Wheat

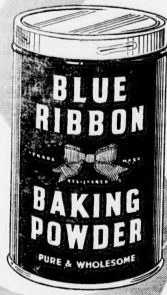

'Rejected' gradings have in-
creased at an alarming rate this
season, though most of the wheat
so graded was probably grown in
1942, when harvest conditions were
unfavorable. Aside from ragweed,
most rejections are due to excess
moisture resulting in heating and
'sprouting'. The discount for grades
No. 1 Hard to No. 4 Northern is
11¢ per bushel—a serious loss. Since
August 1, 329 cars have graded
rejected; they are three times as
common as last year. This loss can-
not be eliminated, but it can be
greatly reduced.

est live elevator agent for the

DEATH OF MRS. GREGORY

It was with a deep sense of sorrow and regret that the many friends of Mrs. Kathryn Gregory learned of her death in Calgary. Mrs. Gregory had been seriously ill for several weeks, but was thought to be well on the road to recovery, when a sudden relapse brought her busy, active life to a close. She was born in Clinton, Ill., and early in her married life she and her husband and four children moved to Standard. Mrs. Gregory was an active member of St. Rita's Parish and of Rosebud Catholic Women's League. She was a member, too, of the Standard local of the U. F. W. A.

On Saturday morning Nov. 13th, requiem high mass was celebrated at St. Rita's Church, when a large number of friends from Standard, Rockyford and Rosebud, Chancellor and Husar were present to pay tribute to her memory.

The sympathy of all is extended to the bereaved, who are her sons, Rex and Milford and their families, and 2 daughters Sister Mary Romayne of Detroit, and Mrs. Frank Harrington of Seattle, Washington.

Mr. and Mrs. Axel Larsen were in Edmonton last week guests at the Corona Hotel while visiting their daughter Miss Leona Larsen, nurse-in-training at the Misericordia Hospital.

Miss Joyce Christensen left on last Thursday to enter the Misericordia Hospital for training. Best wishes Joyce for a successful career.

Mr. and Mrs. J. E. Macadam, Miss Betty Macadam and Mrs. Sheal were visitors in Calgary on Saturday.

Mr. and Mrs. T. K. Larsen drove down from Viking recently to visit friends in the Standard district. They were guests at the home of Mr. and Mrs. M. E. Hansen.

Mr. W. T. Zelznik, whose home is in Irvine Alberta, has been visiting his uncle, Mr. John Zelznik.

Stanley Castella arrived home Sunday morning for two weeks leave.

Mr. John Zelznik spent the week-end in Irvine Alberta.

Alex Christensen, who is home on leave from Victoria spent several days in Edmonton last week. On Sunday evening Mrs. L. M. Christensen entertained many of Alex's friends at a farewell party in his honor. He left early this week to return to Esquimalt. Mr. and Mrs. W. Melles have moved into town for the winter.

Gordon Krohn was home for a few days last week.

Miss Rose Pedersen is now working in Calgary.

Pte. A. Dankwerth spent a 36-hour leave at home last week.

Word has been received that Jean Krohn of the R. C. N. is in a Malta hospital due to a case of jaundice.

Miss Betty Elias is going to St. Mary's School in Calgary.

Mr. Willie Collins suffered severe injuries last Tuesday when the tractor he was operating overturned, pinning him to the ground. He is, at present, a patient in the Holy Cross Hospital. Thursday, November 11th, was the eighty-first birthday of Mr. G. H. Dickson, Mr. and Mrs. C. R. Kidd, of Drumheller were visitors at his home that afternoon, and in the evening Mr. Dickson was host to the members of Pioneer Lodge at his Annual Birthday party.

Vernon Larsen was home from Calgary for his 21st birthday and entertained at a young people's birthday party.

Lucky in whist were Mrs. J. E. Macadam and Mr. Dan McGowan. Consolations were won by Miss Dyke and Mr. P. Neilson.

The weekly card party and Social evening in the K. P. Hall was a decided success last Wednesday with 12 tables in play. Mr. J. P. Hansen and Mr. Carl Sorensen won the first prizes while Mr. and Mrs. O. Fiksdal took home the consolation prizes. The young folks arrived in time for an hour of dancing before midnight. This week the evening has been changed to Saturday instead of Wednesday, so as not to conflict with the dance on Thursday, November 18th.

Mrs. Kimmert entertained a large number of friends on the occasion of her birthday on Nov. 9th. To add to her pleasure her son Bill returned home from Sussex, N. B., where he is now stationed.

When Cliff Henry was wrecking the old Post Office building, a ladder broke and he fell, hurting one hand quite badly. However, he is able to be back at the job again.

The regular U. F. W. A. meeting which was to have been held Nov. 11 was postponed and will be on Nov. 18 at Mrs. K. Sammons.

Mrs. Foster, Don and Pat of MacLeod were over weekend visitors in the home of Mr. and Mrs. G. MacBean. Mr. and Mrs. J. H. Sammons were Sunday guests in the home of Mr. and Mrs. K. Sammons.

Mrs. M. Gillespie visited at Irricana over the weekend. Mrs. Ray Erlford left Monday night for Vancouver to be with her husband who is stationed at that point.

St. Andrews W. A. held their meeting at the home of Mrs. T. H. Beach last week. The next meeting will be held at the home of Mrs. Hampton on Dec. 8th, at 3 p.m.

Meadowbrook Hall committee has

engaged Len Davis orchestra for the following dates—Nov. 26th, Jan. 28th and Feb. 25th.

Mrs. R. Ferris and Mrs. N. Seager of Edmonton visited their sister Mrs. Edith Walker the past week.

A group of friends gathered to help Mr. and Mrs. V. Green celebrate their 13th wedding anniversary on Nov. 13. They were presented with a beautiful linen tablecloth.

Dr. and Mrs. A. E. Wilson and infant son were guests in the home of Mr. and Mrs. A. F. Wilson Nov. 11th.

A framed scroll containing the list of names of the enlisted men from this community was presented to Meadowbrook Community by the Strathmore Branch of the B.E.S.L.

Warden—What are you doing? Writing a letter to your girl-friend?

WOOD'S CHRISTIAN HOME

Again this worthy Institution is making an appeal for assistance in carrying on its work for homeless children.

"In our work, we get a great deal of help from the people of Alberta, who send us food for our table and money to meet the many expenses which we incur. We are grateful for this help, and we hope it will be long continued."

Be assured that whatever donation you can make to us will be used to the fullest advantage on behalf of the Wood's Home children. Your help will enable us to carry on the endless task, month in, month out, of feeding clothing and bringing up boys and girls who need our care. They, too, will be grateful.

"Thanking you, we are,
Yours very sincerely,
D. R. Robertson,
Manager."

NAVY WEEK, Nov. 21 - 28

Ditty Bags For The Merchant Marines

Christmas Day spent on the high seas can be pretty thin.

In order that the men of the sea may have a brighter Christmas, women's clubs and organizations have been asked by the Navy League of Canada to help fill 150,000 ditty bags for men of the Navy, the Merchant Marine, Empire Navies and sailors of all the Allied Nations.

Bags are provided free of charge to donors who wish to fill and return them to the League headquarters. A suggested list of articles includes: sweaters, socks, seamen's stockings, helmets and other knitted goods (one or two knitted articles only).

Hard candy or cake, in sealed container, chewing gum, cocoa or hot chocolate, cigarettes, tobacco and pipe writing paper envelopes, small book game puzzle, playing cards.

Small towel wash cloth, handkerchiefs, comb, tooth brush and paste, shaving soap, razor blades, first-aid kit, "housewife", containing black or navy mending wool and cotton, buttons, darning needles, safety pins.

Last year the quota for the Southern Alberta Division was 1,000 ditty bags; this year it is 2,500.

Further information may be received by writing to the Secretary, Women's Auxiliary, Navy League of Canada, Royal Bank Chambers, Calgary.

HERVEY

— By M. W. L. —

Mr. and Mrs. Alf Sultor of Blackie with their two son George and Howard were renewing old acquaintances in Hervey and Strathmore over the weekend.

The former teacher of Hervey School, Miss Joan Clandillon, who is now teaching at Airdrie, paid a flying visit to the old place last Sunday.

The next meeting of the Hervey Sewing Club will be held at Mrs. Muir's home Wednesday, November 24th. We hope to have a large crowd.
